

Best Value. Best Velocity. Best Quality.

Traffic Sign Printing at its Best.

DTS-12

Open your business to new markets and opportunities and enjoy immediate savings with this cost effective solution.

The DTS printers are the only traffic sign printing solution that can offer you:

- Exceptionally fast turnaround for seasonal high-demand peaks
- High outdoor durability of up to 12 years
- Reflective colors meeting and exceeding the MUTCD and ASTM D4956 standards
- Up to 6-color simultaneous printing
- Lower costs compared to electronic letter cutting or screen printing
- No weeding
- Lower inventory thanks to on-demand printing of short runs
- Reduced labor costs and shorter production times with simple processes
- Environmentally friendly Green system. No fumes, no hazardous materials, no need for venting systems and environmental costs
- Clean system that can be installed and used in an "office" environment

The DTS-12 is your choice for printing these winning applications:

- Traffic Signs
- Street names
- Way-finding signage
- License Plates
- Outdoor graphics
